

LCS PTO Presents...

The Sleepy Hollow Halloween Show:

Sleepy Hollow, New York - 1799 The **Sleepy Hollow Halloween Show** weaves the characters from Washington Irving's classic story into a new and exciting tale. Designed to be spooky (but not scary), the show begins where the original story leaves off. Ichabod Crane was last seen riding home from Herr Van Tassel's October gala. No one seems to know what happened to Ichabod...until now. Determined to find the true identity of the Headless Horseman, Ichabod Crane enlists **Katrina Van Tassel** in his wayward coachman, skeletons that dance, and even Rip Van Winkle of ninepins. Though in the end revealed, the audience is left with answered by reading Washington Irving's enduring story.
