Dear Liberty Corner School Teachers:

We appreciate partnering with you to provide a fun and educational collection of teacher-requested, grade-specific enrichments and school-wide programs for our LCS students. With your guidance, last year the PTO funded 25 classroom enrichments and ten school-wide assemblies and programs at a cost of \$30,000. In addition, the PTO was able to purchase 60 Chrome books and two charging carts, which we hope will enable teachers to enhance curriculum through technology.

We hope to have similar fundraising success again this year, but in order for that to happen we are looking to increase both teacher and parent membership to help keep funding these great events. In hope of reaching 100% teacher participation, we have reduced the teacher membership dues by 50% since last year. Our current membership dues (\$10) are now aligned with four of the other five schools in our district.

With your \$10 membership dues, you will receive a copy of the LCS Directory and access to the on-line version, as well as password access to our website's beautiful gallery of photos that you are free to download, save and print.

We look forward to working with you to provide another great year of PTO programming!

Sincerely,

Liberty Corner School  
Parent Teacher Organization  
Executive Board
